(B) If a candidate, after admission in an examination—

(B) No change.

- (a) commits an immoral act; or
  - (b) is discovered to have committed an immoral act which in the opinion of the Syndicate is such that had it come to their knowledge in time they would have excluded him from the examination;
- the Syndicate may—
- (i) cancel his candidature for that examination and order that his result be not declared; and/or
  - (ii) disqualify him permanently or for a specified period.

If a candidate, subsequent to the issue of Roll Number, is found to be ineligible to take the examination, his candidature shall be cancelled.

(C) Where the chances of a candidate to clear an examination are limited, and he is disqualified from appearing in it for a fixed period, he may be allowed by the Vice-Chancellor one more chance to appear in the examination after the period of disqualification, in lieu of the chance or chances missed by him during the period of disqualification.

(C) No change.

(D) *Where the chances of a candidate to clear an examination are limited, the Syndicate shall have authority to grant an extra chance, for valid reasons, in lieu of one or more chances missed by a candidate. Provided that the extra chance shall be immediately next to the last admissible chance.*

(E) *Where a candidate has missed one or more chances to clear an examination on account of illness, additional chance or chances in lieu thereof will be available only if the candidate had submitted his admission form and fee and had informed the Registrar of the University within thirty days of the commencement of the University examination of his inability to appear in the examination on account of illness, alongwith a medical certificate. Provided that the additional chance or chances shall be immediately next to the last admissible chance.*

Deletion of Regulations 14, 23 and 32, for 1st, 2nd and 3rd and amendment of Regulations 15, 24, 33, 42 and 43 for B.Sc. Agriculture examinations at pages 179, 181, 183 and 185 of the Calendar, Volume II, 1967.

#### PRESENT REGULATIONS

14. At the end of the first year course, every student shall be required to undergo a course of practical training in an approved Agricultural Farm for four weeks, during the vacation, to the satisfaction of the Principal of the college in which he has studied.

15. Each student who has been declared to have passed in the examination and who has completed the practical training prescribed in Regulation 14 shall be granted a certificate. The Principal may, however, allow this practical training to be undertaken after the second, Third or Final examination if he is satisfied that the inability of the candidate to undertake such training at the end of the First year course was due to serious illness or due to some other unavoidable circumstances in which case the issue of the certificate will be held up till then.

23. At the end of the second year course, every student shall be required to undergo a course of practical training in an approved agricultural Farm other than the one attended during the first year course for six weeks, during the vacation, to the satisfaction of the Principal of the college in which he has studied.

24. Each student who has been declared to have passed in the examination and who has completed the practical training prescribed in Regulation 21 shall be granted a certificate. The Principal may, however, allow this practical training to be undertaken after the Third or Final examination if he is satisfied that the inability of the candidate to undertake such training at the end of the second year course was due to serious illness or due to some other unavoidable circumstances in which case the issue of the certificate will be held up till then.

32. At the end of the third year course student shall be required to undergo a course of practical training in an approved Agricultural Farm other than those attended in the first and second year courses, for six weeks during the vacation, to the satisfaction of the Principal of the college in which he has studied.

33. Each student who has been declared to have passed in the examination and who has completed the practical training prescribed in Regulation 32 shall be granted a certificate. The Principal may, however, allow this practical training to be undertaken after the Final examination if he is satisfied that the inability of the candidate to undertake such training at the end of the third year course was due to serious illness or due to some other unavoidable circumstances in which case the issue of the certificate will be held up till then.

42. At the end of the Final Year course, every student shall be required to undergo a course of practical training in an approved agricultural farm, other than those attended during the First, Second and Third Year courses or an approved research laboratory in the subject of specialisation, for six weeks to the satisfaction of the Principal of the college in which he has studied. This training will be in addition to the training required to be undergone after each of the First, Second and Third Year Courses.

43. Each student who has been declared to have passed in the examination, and who has completed the practical training, prescribed in Regulation 34 shall be awarded the degree of B.Sc. in Agriculture.
